SECTION 2. PROGRAMMING INFORMATION

a. Describe the program in which this job exists. Include program purpose, who is affected and scope. Include relationship to institutional mission.

The Student Success Center is composed of several departments/areas or functions: Testing Services, Peer Consulting Services, First Year Experience, ACAD Courses, Tech Opportunities Program (TOP), Disability Services (DS), Career Services (CS) and a major recurring event called Breakfast Club. The SSC collaborates frequently with Admissions, Business Office, Student Affairs, Registrar's, Academic Departments, and students as well as many other departments across the Klamath Falls campus and the Wilsonville Campus to provide services to students, staff and faculty participants.

Below is a brief summary of the areas within the SSC that will help define the program in which this position exists:

TOP is a Federally Funded Student Support Services (TRIO) grant located only on the Klamath Falls Campus. The mission of TOP is to provide academic and other support services to students who have an academic need and who are low income or first generation or who are students with disabilities in order to increase the academic success and graduation rate of participating students.

DS provides academic adjustments, auxiliary aids, academic support and counseling services to students with documented disabilities. The mission of DS is to provide opportunities for equal access to university programs, services, facilities and activities.

CS supports student and alumni efforts to develop and achieve career goals. Staff guide students as they plan their careers, teach them to compete effectively in the job market, develop job opportunities through contacts with

employers, and promote career awareness through experiential learning opportunities such as cooperative education, summer jobs, and college work study.

Peer Consulting Services supports students through tutoring services provided to any Oregon Tech student. Students are assisted through drop-in and scheduled group and/or individual tutoring sessions throughout the year in just about any academic subject found at Oregon Tech.

Testing Services supports student through assessment and testing for all Oregon Tech students, distance education learners, and non-OIT students. Testing includes, but is not limited to, undergraduate and graduate level testing, ACT, MAT, Accuplacer assessments, in class and out of class proctoring.

The Breakfast Club has been one of the major outreach programs that the SSC does to help engage with students and help bridge the gap between the students and critical areas/departments across campus. Each month the SSC, along with a hosting department, will offer breakfast to all students. The purpose of the breakfast is to engage with the students, introduce them to the staff/services of the SSC and of the hosting department.
