<b>Complete contract dates only if other than a 12 month position</b>			
<b>Annual Contract Begin Date</b> July 1		<b>Annual Contract End Date</b> June 30	

### A. POSITION SUMMARY

**Briefly describe the role of the position within the department and college.**

The Student Success Center (SSC) Vision is to help Oregon Institute of Technology (OIT) empower and support students in achieving their individual goals through collaboration and advocacy.

The SSC Mission states the Student Success Center is to provide each student with progressive hands-on learning tools and services so that each student can meet and supersede the requirements of their degree and career. Our goal is that the Students Success Center will be central to each students learning experience and that each student's success can be partially attributed to the support, tools, environment and services provided by the Student Success Center.

Under the supervision of the Director, the Peer Consulting (PC) Coordinator is responsible for daily PC operations including: PC Operations, teaching ACAD (Academic Success Courses), Mentorship, Student Leader Supervision, Assistance with Placement evaluation, PC scheduling and other duties associated with PC as well as other duties and committee work as assigned by the Director to accomplish PC, SSC, Student Affairs, or OIT objectives.

### B. REQUIRED DEGREES, LICENSES, CERTIFICATES, CREDENTIALS

**1. Minimum education level required and the number of years of relevant experience required for the duties of this position.**

Bachelor's (Master's preferred) degree in relevant field and at least two (2) years of experience working with college or community college student affairs departments, student success and/or tutoring initiatives, and/or related areas.

**2. List any licenses, certificates, degrees or credentials required by Federal or State Law or college requirements to perform the duties assigned to this position.**

None applicable

### C. SUPERVISORY RESPONSIBILITY

Positions Supervised	Direct Supervision		Indirect Supervision

## I. ADDITIONAL JOB-RELATED INFORMATION

Please include information on creativity or innovation required for successful completion of job responsibilities and any other comments that would add to an understanding of this position.

This position requires a great deal of creativity, enthusiasm, interpersonal expertise and relationship building, communication skills, supervisory skills for a sometimes challenging employee group, and knowledge about specific requirements of the college and student populations in general.

Successful completion of job responsibilities in this position requires flexibility and a team oriented attitude as SSC is an ever evolving entity responding to unique individuals, campus needs, student development and support trends/opportunities, budget considerations, as well as demographic changes in population groups.

This position has intensive contact with many students in a variety of settings and must be able to appropriately communicate expectations, serve, refer, and respond to a myriad of issues and concerns.

This position requires a great deal of knowledge and skills regarding working with a diverse college student population

of all ages and levels of preparedness while also serving staff, faculty, and community constituents. This position requires an essential understanding of the higher education environment as well as privacy of student records, including FERPA.
