A. POSITION SUMMARY

Briefly describe the role of the position within the department and college.

The Administrative Director is responsible for the management and leadership of the Integrated Student Health Center, which includes counseling services. The Director is responsible for directing the daily operation of the Integrated Student Health Center (ISHC) in keeping with standard clinical and health promotion practices and procedures, with a sensitivity to the health needs and concerns of young adults, and mission of Oregon Tech. He/she supports quality patient care by ongoing monitoring of the patient care delivery systems and clinical practices that support optimal patient outcomes. He/she is responsible for all aspects of the Oregon Tech Integrated Student Health Center (ISHC), including staff supervision, budgetary control, client care and health program planning. This position serves as a liaison with key members of the university community. This position reports directly to the Vice President of Student Affairs.

B. REQUIRED DEGREES, LICENSES, CERTIFICATES, CREDENTIALS

1. Minimum education level required and the number of years of relevant experience required for the duties of this position.

Master's degree in a related field with Nursing or Health Care Administration preferred, or in Social Work, Psychology, Counseling or Medical Doctor and 5 years experience in a medical clinic.

2. List any licenses, certificates, degrees or credentials required by Federal or State Law or college requirements to perform the duties assigned to this position.

Prefer licensure (or ability to secure license) in Oregon in nursing, psychology, counseling or health administration.
